Fasten your seatbelts for an anthology of turbulent tales curated by Stephen King and Bev Vincent. This exciting new anthology, perfect for airport or airplane reading, includes an original introduction and story notes for each story by Stephen King, along with brand new stories from Stephen King and Joe Hill.

About the Book:

Stephen King hates to fly.

Now he and co-editor Bev Vincent would like to share this fear of flying with you.

Welcome to Flight or Fright, an anthology about all the things that can go horribly wrong when you're suspended six miles in the air, hurtling through space at more than 500 mph and sealed up in a metal tube (like "gulp!" a coffin) with hundreds of strangers. All the ways your trip into the friendly skies can turn into a nightmare, including some we'll bet you've never thought of before... but now you will the next time you walk down the jetway and place your fate in the hands of a total stranger.

Featuring brand new stories by Joe Hill and Stephen King, as well as fourteen classic tales and one poem from the likes of Richard Matheson, Ray Bradbury, Roald Dahl, Dan Simmons, and many others, Flight or Fright is, as King says, "ideal airplane reading, especially on stormy descents... Even if you are safe on the ground, you might want to buckle up nice and tight."
